The amount appropriated for southwest defense contracts shall be distributed to a nonprofit organization that advocates for preserving and enhancing critical defense missions and assets in the southwestern United States.

The appropriation from the automation operations fund established by section 41-711, Arizona Revised Statutes, is an estimate representing all monies, including balance forward, revenues and transfers during fiscal year 2020-2021. These monies are appropriated to the department of administration for the purposes established in section 41-711, Arizona Revised Statutes. The appropriation is adjusted as necessary to reflect monies credited to the automation operations fund for automation operation center projects. Before spending any automation operations fund monies in excess of \$31,040,900 in fiscal year 2020-2021, the department shall report the intended use of the monies to the joint legislative budget committee.

On or before September 1, 2021, the department shall submit a report for review by the joint legislative budget committee on the results of pilot projects implemented in fiscal year 2020-2021 for the state employee public transportation service reimbursements pursuant to section 41-710.01, Arizona Revised Statutes, in a vehicle emissions control area as defined in section 49-541, Arizona Revised Statutes, of a county with a population of more than four hundred thousand persons.

The legislature intends that the department not replace vehicles until they have an average of 80,000 miles or more. On or before August 1, 2020, the department shall submit a report to the joint legislative budget committee on the maintenance savings achieved by replacing vehicles that have an average of 80,000 miles or more.

All state surplus materials revolving fund monies received by the department of administration in excess of \$2,977,800 in fiscal year 2020-2021 are appropriated to the department. Before spending state surplus materials revolving fund monies in excess of \$2,977,800 in fiscal year 2020-2021, the department shall report the intended use of the monies to the joint legislative budget committee.

The department may charge state agencies not more than \$10.42 per user per month for the statewide email and calendar service.

Operating budget

The amount appropriated for the DES eligibility line item shall be used for intergovernmental agreements with the department of economic security for eligibility determination and other functions. The state general fund share may be used for eligibility determination for other programs administered by the division of benefits and medical eligibility based on the results of the Arizona random moment sampling survey.

The amounts included in the proposition 204 ♦ AHCCCS administration, proposition 204 ♦ DES eligibility and proposition 204 services line items include all available sources of funding consistent with section 36-2901.01, subsection B, Arizona Revised Statutes.

Of the amount appropriated for the operating lump sum, \$100,000 shall be used for a suicide prevention coordinator to assist school districts and charter schools in suicide prevention efforts.♦ The Arizona health care cost containment system administration, in consultation with the department of education, shall report to the governor, the president of the senate, the speaker of the house of representatives, the director of the joint legislative budget committee and the director of the governor's office of strategic planning and budgeting on or before September 1, 2021 on the suicide prevention coordinator's accomplishments in fiscal year 2020-2021.

Medical services and behavioral health services

Before making fee-for-service program or rate changes that pertain to fee-for-service rate categories, the Arizona health care cost containment system administration shall report its expenditure plan for review by the joint legislative budget committee.

The Arizona health care cost containment system administration shall report to the joint legislative budget committee on or before March 1, 2021 on preliminary actuarial estimates of the capitation rate changes for the following fiscal year along with the reasons for the estimated changes. For any actuarial estimates that include a range, the total range from minimum to maximum may not be more than two percent. Before implementing any changes in capitation rates, the administration shall report its expenditure plan for review by the joint legislative budget committee. Before the administration implements any change in policy affecting the amount, sufficiency, duration and scope of health care services and who may provide services, the administration shall prepare a fiscal impact analysis on the potential effects of this change on the following year's capitation rates. If the fiscal impact analysis demonstrates that this change will result in additional state costs of \$500,000 or more for any fiscal year, the administration shall submit the policy change for review by the joint legislative budget committee.

The legislature intends that the percentage attributable to administration and profit for the regional behavioral health authorities be nine percent of the overall capitation rate.

The Arizona health care cost containment system administration shall transfer up to \$1,200,000 from the traditional medicaid services line item for fiscal year 2020-2021 to the attorney general for costs associated with tobacco settlement litigation.

The Arizona health care cost containment system administration shall transfer \$836,000 from the traditional medicaid services line item for fiscal year 2020-2021 to the department of revenue for enforcement costs associated with the March 13, 2013 master settlement agreement with tobacco companies.

On or before June 30, 2021, the Arizona health care cost containment system administration shall report to the joint legislative budget committee on the progress in implementing the Arnold v. Sarn lawsuit settlement.♦ The report shall include, at a minimum, the administration's progress toward meeting all criteria specified in the 2014 joint stipulation, including the development and estimated cost of additional behavioral health service capacity in Maricopa county for supported housing services for 1,200 class members, supported employment services for 750 class members, eight assertive community treatment teams and consumer operated services for 1,500 class members. The administration shall also report by fund source the amounts it plans to use to pay for expanded services.

Long-term care

Any federal monies that the Arizona health care cost containment system administration passes through to the department of economic security for use in long-term care for persons with developmental disabilities do not count against the long-term care expenditure authority above.

Pursuant to section 11-292, subsection B, Arizona Revised Statutes, the county portion of the fiscal year 2020-2021 nonfederal costs of providing long-term care system services is \$305,872,000. This amount is included in the expenditure authority fund source.

Any supplemental payments received in excess of \$110,814,900 for nursing facilities that serve Arizona long-term care system medicaid patients in fiscal year 2020-2021, including any federal matching monies, by the Arizona health care cost containment system administration are appropriated to the administration in fiscal year 2020-2021. Before spending these increased monies, the administration shall notify the joint legislative budget committee and the governor's office of strategic planning and budgeting of the amount of monies that will be spent under this provision.♦ These payments are included in the expenditure authority fund source.

Payments to hospitals

The \$5,087,100 appropriation for disproportionate share payments for fiscal year 2020-2021 made pursuant to section 36-2903.01, subsection O, Arizona Revised Statutes, includes \$4,202,300 for the Maricopa

county health care district and \$884,800 for private qualifying disproportionate share hospitals.

Any monies received for disproportionate share hospital payments from political subdivisions of this state, tribal governments and any university under the jurisdiction of the Arizona board of regents, and any federal monies used to match those payments, in fiscal year 2020-2021 by the Arizona health care cost containment system administration in excess of \$27,137,600 are appropriated to the administration in fiscal year 2020-2021. Before spending these increased monies, the administration shall notify the joint legislative budget committee and the governor's office of strategic planning and budgeting of the amount of monies that will be spent under this provision.

The expenditure authority fund source includes voluntary payments made from political subdivisions for payments to hospitals that operate a graduate medical education program or treat low-income patients and for payments to qualifying providers affiliated with teaching hospitals. The political subdivision portions of the fiscal year 2020-2021 costs of graduate medical education, disproportionate share payments, voluntary match, safety net care pool, traditional medicaid services, proposition 204 services and adult expansion services line items are included in the expenditure authority fund source.

Any monies for graduate medical education received in fiscal year 2020-2021, including any federal matching monies, by the Arizona health care cost containment system administration in excess of \$357,621,200 are appropriated to the administration in fiscal year 2020-2021. Before spending these increased monies, the administration shall notify the joint legislative budget committee and the governor's office of strategic planning and budgeting of the amount of monies that will be spent under this provision.

Notwithstanding section 36-2903.01, subsection G, paragraph 9, subdivisions (a), (b) and (c), Arizona Revised Statutes, the amount for graduate medical education includes \$3,333,400 from the state general fund and \$7,781,700 from expenditure authority for the direct and indirect costs of graduate medical education programs located in a county with a population of less than five hundred thousand persons. The state general fund amount may supplement, but not supplant, voluntary payments made from political subdivisions for payments to hospitals that operate a graduate medical education program. The administration shall prioritize distribution to programs at hospitals in counties with a higher percentage of persons residing in a health professional shortage area as defined in 42 Code of Federal Regulations part 5.

Notwithstanding section 36-2903.01, subsection G, paragraph 9, subdivisions (a), (b) and (c), Arizona Revised Statutes, the amount for graduate medical education includes \$2,666,600 from the state general fund and \$6,225,000 from expenditure authority for the direct and indirect costs of graduate medical education programs located in a county with a population of more than five hundred thousand persons. The state general fund amount may supplement, but not supplant, voluntary payments made from political subdivisions for payments to hospitals that operate a graduate medical education program. The administration shall prioritize distribution to programs at hospitals in counties with a higher percentage of persons residing in a health professional shortage area as defined in 42 Code of Federal Regulations part 5.

Monies appropriated for graduate medical education in this section are exempt from the provisions of section 35-190, Arizona Revised Statutes, relating to lapsing of appropriations until June 30, 2022.

Any monies received for the safety net care pool by the Arizona health care cost containment system administration in fiscal year 2020-2021, including any federal matching monies, are appropriated to the administration in fiscal year 2020-2021. Before spending these monies, the administration shall notify the joint legislative budget committee and the governor's office of strategic planning and budgeting of the amount of monies that will be spent under this provision.

Other

On or before July 1, 2021, the Arizona health care cost containment system administration shall report to the director of the joint legislative budget committee the total amount of medicaid reconciliation payments and penalties received on or before that date since July 1, 2020.

The nonappropriated portion of the prescription drug rebate fund established by section 36-2930, Arizona Revised Statutes, is included in the federal portion of the expenditure authority fund source.

Additional operating resources

The department of child safety shall provide training to any new child safety FTE positions before assigning any client caseload duties to any of these employees.

The legislature intends that the department of child safety use its funding to achieve a one hundred percent investigation rate.

All expenditures made by the department of child safety for attorney general legal services shall be funded only from the attorney general legal services line item. Monies in department of child safety line items intended for this purpose shall be transferred to the attorney general legal services line item before expenditure.

The amount appropriated for litigation expenses is exempt from the provisions of section 35-190, Arizona Revised Statutes, relating to lapsing of appropriations, until June 30, 2022.

Out-of-home placements

The department of child safety may transfer up to ten percent of the total amount of federal temporary assistance for needy families block grant monies appropriated to the department of economic security and the department of child safety to the social services block grant. Before transferring federal temporary assistance for needy families block grant monies to the social services block grant, the department of child safety shall report the proposed amount of the transfer to the director of the joint legislative budget committee. This report may be in the form of an expenditure plan that is submitted at the beginning of the fiscal year and updated, if necessary, throughout the fiscal year.

The amount appropriated for kinship care shall be used for a stipend of \$75 per month for a relative caretaker, including a grandparent, any level of great-grandparent or any nongrandparent relative, or a caretaker of fictive kinship, if a dependent child is placed in the care of a relative caretaker or caretaker of fictive kinship pursuant to department guidelines. The department shall provide the stipend on behalf of all children placed with an unlicensed kinship foster care parent. The unlicensed kinship foster care parent is not required to file an application to receive the stipend. Before changing the eligibility for the program or the amount of the stipend, the department shall submit a report for review by the joint legislative budget committee detailing the proposed changes.

Departmentwide

The amount appropriated for any line item may not be transferred to another line item or to the operating budget unless the transfer is reviewed by the joint legislative budget committee.

Child safety expenditure authority includes all department funding sources excluding the state general fund, the federal child care and development fund block grant, the federal temporary assistance for needy families block grant, the child abuse prevention fund and the children and family services training program fund.

On or before January 2, 2021, the department of child safety shall submit a report to the joint legislative budget committee on the department's efforts to implement the family first prevention services act of 2018. The report shall quantify the department's efforts in at least the following areas, including any associated fiscal impacts:

1. Reducing the number of children placed for more than two weeks in congregate care settings, excluding qualified residential treatment programs, facilities for pregnant and parenting youth, supervised independent living and specialized programs for victims of sex trafficking.
2. Assisting congregate care providers in attaining status as qualified residential treatment programs.
3. Identifying alternative placements, including therapeutic foster homes, for children who would otherwise be placed in congregate care.
4. Expanding evidence-based, in-home parent skill-based programs and mental health and substance abuse prevention and treatment services.

Benchmarks

For the purposes of this section, "backlog case":

1. Means any nonactive case for which documentation has not been entered in the child welfare automated system for at least sixty days and for which services have not been authorized for at least sixty days and any case that has had an investigation, has been referred to another unit and has had no contact for at least sixty days.
2. Includes any case for which the investigation has been open without any documentation or contact for at least sixty days, any case involving in-home services for which there has been no contact or services authorized for at least sixty days and any case involving foster care in which there has been no contact or any documentation entered in the child welfare automated system for at least sixty days.

For the purposes of this section, "open report" means a report that is under investigation or awaiting closure by a supervisor.

On or before September 30, 2020, and on or before the last day of every calendar quarter through June 30, 2021, the department of child safety shall present a report for review by the joint legislative budget committee on the progress made in meeting the caseload standard and reducing the number of backlog cases and out-of-home children. The report shall include the number of backlog cases, the number of open reports, the number of out-of-home children and the caseworker workload in comparison to the previous quarter. The report shall

provide the number of backlog cases by disposition, including the number of backlog cases in the investigation phase, the number of backlog cases associated with out-of-home placements and the number of backlog cases associated with in-home cases.

To determine the caseworker workload, the department shall report the number of case-carrying caseworkers at each field office and the number of investigations, in-home cases and out-of-home children assigned to each field office.

For backlog cases, the department's quarterly benchmark is 1,000 cases.

For open reports, the department's benchmark is fewer than 8,000 open reports.

For out-of-home children, the department's benchmark is 13,964 children.

If the department of child safety has not submitted the quarterly report within thirty days after the last day of the calendar quarter, the director of the joint legislative budget committee shall inform the general accounting office of the department of administration, which shall withhold two percent of the department of child safety's operating lump sum quarterly budget allocation until the department of child safety submits the quarterly report.

Of the amount appropriated in the operating lump sum, \$408,913,100 is designated for personal services and \$247,206,900 is designated for employee-related expenditures. ♦ The department shall submit an expenditure plan to the joint legislative budget committee for review before spending these monies other than for personal services or employee-related expenditures.

Before placing any inmates in out-of-state provisional beds, the department shall place inmates in all available prison beds in facilities that are located in this state and that house Arizona inmates, unless the out-of-state provisional beds are of a comparable security level and price.

The state department of corrections shall forward to the president of the senate, the speaker of the house of representatives, the chairpersons of the senate and house of representatives appropriations committees and the director of the joint legislative budget committee a monthly report comparing department expenditures for the month and year-to-date as compared to prior-year expenditures on or before the thirtieth of the following month. ♦ The report shall be in the same format as the prior fiscal year and include an estimate of potential shortfalls, potential surpluses that may be available to offset these shortfalls and a plan, if necessary, for eliminating any shortfall without a supplemental appropriation. ♦ The report shall include the number of filled and vacant correctional officer and medical staff positions departmentwide and by prison complex.

On or before August 1, 2020, the state department of corrections shall provide a report on bed capacity to the joint legislative budget committee for its review. ♦ The report shall reflect the bed capacity for each security classification by gender at each state-run and private institution, divided by rated and total beds. ♦ The report shall include bed capacity data for June 30, 2019 and June 30, 2020 and the projected capacity for June 30, 2021, as well as the reasons for any change within that time period. Within the total bed count, the department shall provide the number of temporary and special use beds. The report shall also address the department's rationale for eliminating any permanent beds rather than reducing the level of temporary beds. If the department develops a plan after its August 1 report to open or close state-operated prison rated beds or cancel or not renew contracts for privately operated prison beds, the department shall submit a bed plan detailing the proposed bed closures for review by the joint legislative budget committee before implementing these changes.

One hundred percent of land earnings and interest from the penitentiary land fund shall be distributed to the state department of corrections in compliance with the enabling act and the Constitution of Arizona to be used to support state penal institutions.

On or before August 31, 2020, and on or before the last day of November, February and May in fiscal year 2020-2021, the state department of corrections shall present a report for review by the joint legislative budget committee on the progress made in meeting the staffing needs for correctional officers. ♦ The report due on August 31, 2020 shall include the department's recommended benchmarks through June 30, 2021 and how the department plans to reach those benchmarks. Each quarterly report shall include the number of filled correctional officer positions, the number of vacant correctional officer positions, the number of people in training, the number of separations and the number of hours of overtime worked during the quarter. The report shall detail these amounts both departmentwide and by prison complex.

Any monies used to replace the adult inmate management system are subject to review by the Arizona strategic enterprise technology office and the information technology authorization committee pursuant to section 18-121, Arizona Revised Statutes.

Of the amount appropriated for the private prison per diem line item, \$17,468,300 shall be used to make a debt service payment on the financing agreement authorized by Laws 2016, chapter 119, section 24.

Twenty-five percent of land earnings and interest from the state charitable, penal and reformatory institutions land fund shall be distributed to the state department of corrections in compliance with the enabling act and the Constitution of Arizona to be used to support state penal institutions.

Before spending any state education fund for correctional education monies in excess of \$729,300, the state department of corrections shall report the intended use of the monies to the director of the joint legislative budget committee. ♦

On or before August 1, 2020 and February 1, 2021, the state department of corrections shall submit a report to the joint legislative budget committee on the status of the performance measures tracked by the department as required by the Parson v. Ryan stipulation agreement, a copy of any court-ordered compliance reports filed by the department or a contracted provider during the reporting period and a copy of any report produced by a court-appointed monitor regarding the delivery of health services during each reporting period. ♦ The report shall include the number of performance measures in total and by facility with which the department is not in substantial compliance, an explanation for why the department is not in substantial compliance and the department's plans to comply with the measures. ♦ The report shall also list the measures the department is no longer required to track as a result of compliance with the stipulation.

Before implementing any changes in contracted rates for inmate health care contracted services, the state department of corrections shall submit its expenditure plan for review by the joint legislative budget committee.

On or before August 1, 2020, the state department of corrections shall transfer to the public safety personnel retirement system via the department of administration its estimated required annual contribution to the corrections officer retirement plan for fiscal year 2020-2021.

All domestic violence services fund monies in excess of \$4,000,000 received by the department of economic security are appropriated for the domestic violence prevention line item. Before spending these increased monies, the department shall report the intended use of monies in excess of \$4,000,000 to the joint legislative budget committee.

On or before December 15, 2020, the department of economic security shall report to the joint legislative budget committee the amount of state and federal monies available statewide for domestic violence funding. The report shall include, at a minimum, the amount of monies available and the state fiscal agent receiving those monies.

Benefits and medical eligibility

The operating lump sum appropriation may be spent on Arizona health care cost containment system eligibility determinations based on the results of the Arizona random moment sampling survey.

Child support enforcement

All state shares of retained earnings, fees and federal incentives in excess of \$17,094,700 received by the division of child support enforcement are appropriated for operating expenditures. New FTE positions may be authorized with the increased funding. Before spending these increased monies, the department of economic security shall report the intended use of the monies to the joint legislative budget committee.

Before the department may spend any monies to replace the child support information technology system, the Arizona strategic enterprise technology office shall submit, on behalf of the department of economic security, an expenditure plan to the joint legislative budget committee for review. The expenditure plan shall include the project cost, deliverables, timeline for completion and method of procurement consistent with the department's prior reports for its appropriation from the automation projects fund pursuant to section 41-714, Arizona Revised Statutes.

Developmental disabilities

On or before September 1, 2021, the department of economic security shall report to the president of the senate, the speaker of the house of representatives, the chairpersons of the senate and house of representatives appropriations committees and the director of the joint legislative budget committee any new placement into a state-owned ICF-IID or the Arizona training program at the Coolidge campus in fiscal year 2020-2021 and the reason this placement, rather than a placement into a privately run facility for persons with developmental disabilities, was deemed as the most appropriate placement. The department shall also report if no new placements were made. On or before September 1, 2021, the department shall also report to the director of the joint legislative budget committee the total costs associated with the Arizona training program at Coolidge in fiscal year 2020-2021.

The department shall report to the joint legislative budget committee on or before March 1 of each year on preliminary actuarial estimates of the capitation rate changes for the following fiscal year along with the reasons for the estimated changes. For any actuarial estimates that include a range, the total range from minimum to maximum may not be more than two percent. Before implementing any changes in capitation rates for the long-term care system, the department shall submit a report for review by the joint legislative budget committee. Before the department implements any change in policy affecting the amount, sufficiency, duration and scope of health care services and who may provide services, the department shall prepare a fiscal impact analysis on the potential effects of this change on the following year's capitation rates. If the fiscal impact analysis demonstrates that this change will result in additional state costs of \$500,000 or more for any fiscal year, the department shall submit the policy change for review by the joint legislative budget committee.

Before implementing developmental disabilities or long-term care statewide provider rate adjustments that are not already specifically authorized by the legislature, court mandates or changes to federal law, the department shall submit a report for review by the joint legislative budget committee that includes, at a minimum, the estimated cost of the provider rate adjustment and the ongoing source of funding for the adjustment, if applicable.

Before transferring any monies in or out of the case management Medicaid, case management state-only and DDD administration line items, the department shall submit a report for review by the joint legislative budget committee.

The department shall submit an expenditure plan to the joint legislative budget committee for review of any new division of developmental disabilities salary adjustments not previously reviewed by the joint legislative budget committee.

On or before August 1, 2020 the department shall report to the joint legislative budget committee the number of filled positions for case managers and non-case managers in the division of developmental disabilities as of June 30, 2020. The department shall submit an expenditure plan of its staffing levels for review by the joint legislative budget committee if the department plans on hiring staff for non-case manager, non-case aide, non-case unit supervisor and non-case section manager positions above the staffing level indicated in the August 1, 2020 report.

Employment and rehabilitation services

The legislature intends that the combined number of children in child care assistance authorized pursuant to section 46-803, subsections D and F, Arizona Revised Statutes, be maintained throughout the year at a minimum of 8,500 children. The department of economic security shall prioritize child care assistance for families that qualify for assistance pursuant to section 46-803, subsection F, Arizona Revised Statutes, on the waiting lists established pursuant to section 46-803, subsection J, Arizona Revised Statutes.

All workforce investment act grant monies that are received by this state in excess of \$56,044,500 are appropriated to the workforce investment act services line item. Before spending these increased monies, the department shall report the intended use of monies in excess of \$56,044,500 to the joint legislative budget committee.

Before the department of economic security changes child care reimbursement rates, the department shall submit the proposed changes for review by the joint legislative budget committee.

Departmentwide

The above appropriations are in addition to monies granted to this state by the federal government for the same purposes but are deemed to include the sums deposited in the state treasury to the credit of the department

of economic security pursuant to section 42-5029, Arizona Revised Statutes.

The department of economic security shall forward to the president of the senate, the speaker of the house of representatives, the chairpersons of the senate and house of representatives appropriations committees and the director of the joint legislative budget committee a monthly report comparing total expenditures for the month and year-to-date as compared to prior-year totals on or before the thirtieth of the following month. The report shall include an estimate of potential shortfalls in entitlement programs and potential federal and other monies, such as the statewide assessment for indirect costs, and any projected surplus in state-supported programs that may be available to offset these shortfalls and a plan, if necessary, for eliminating any shortfall without a supplemental appropriation.

The operating lump sum appropriation includes \$683,900 and 8.5 FTE positions for average daily membership auditing and \$200,000 and 2 FTE positions for information technology security services.

The amount appropriated for the department's operating budget includes \$500,000 for technical assistance and state-level administration of the K-3 reading program established pursuant to section 15-211, Arizona Revised Statutes.

Any monies available to the department of education pursuant to section 42-5029, subsection E, paragraph 8, Arizona Revised Statutes, for the failing schools tutoring fund established by section 15-241, Arizona Revised Statutes, in excess of the expenditure authority amounts are allocated for the purposes of section 42-5029, subsection E, paragraph 8, Arizona Revised Statutes.

Any monies available to the department of education pursuant to section 42-5029, subsection E, paragraph 6, Arizona Revised Statutes, for character education matching grants pursuant to section 15-154.01, Arizona Revised Statutes, in excess of the expenditure authority amounts are allocated for the purposes of section 42-5029, subsection E, paragraph 6, Arizona Revised Statutes.

Basic state aid

The appropriation for basic state aid provides basic state support to school districts for maintenance and operations funding as provided by section 15-973, Arizona Revised Statutes, and includes an estimated \$300,612,600 in expendable income derived from the permanent state school fund and from state trust lands pursuant to section 37-521, subsection B, Arizona Revised Statutes, for fiscal year 2020-2021.

Monies derived from the permanent state school fund and any other non-state general fund revenue source that is dedicated to fund basic state aid shall be spent, whenever possible, before spending state general fund monies.

Except as required by section 37-521, Arizona Revised Statutes, all monies received during the fiscal year from national forests, interest collected on deferred payments on the purchase of state lands, income from investing permanent state school funds as prescribed by the enabling act and the Constitution of Arizona and all monies received by the superintendent of public instruction from whatever source, except monies received pursuant to sections 15-237 and 15-531, Arizona Revised Statutes, when paid into the state treasury are appropriated for apportionment to the various counties in accordance with law. An expenditure may not be made except as specifically authorized above.

Other programs

Any monies available to the department of education pursuant to section 42-5029, subsection E, paragraph 5, Arizona Revised Statutes, for the increased cost of basic state aid due to added school days in excess of the expenditure authority amounts are allocated for the purposes of section 42-5029, subsection E, paragraph 5, Arizona Revised Statutes.

The basic state aid appropriation for fiscal year 2020-2021 includes a state general fund increase of \$124,500,000, which the legislature and governor intend to be used for teacher salary increases that are in addition to teacher salary increases provided for fiscal year 2019-2020.

Any monies available to the department of education for the classroom site fund pursuant to section 37-521, subsection B, paragraph 4 and section 42-5029, subsection E, paragraph 10, Arizona Revised Statutes, in excess of expenditure authority amounts are allocated for the purposes of section 37-521, subsection B, paragraph 4 and section 42-5029, subsection E, paragraph 10, Arizona Revised Statutes.

Any monies available to the department of education from the instructional improvement fund established by section 15-979, Arizona Revised Statutes, in excess of the expenditure authority amounts are allocated for the purposes of section 15-979, Arizona Revised Statutes.

Before making any changes to the achievement testing program that will increase program costs, the department of education and the state board of education shall submit the estimated fiscal impact of those changes to the joint legislative budget committee for review.

Any monies available to the department of education for accountability purposes pursuant to section 42-5029, subsection E, paragraph 7, Arizona Revised Statutes, in excess of the expenditure authority amounts are allocated for the purposes of section 42-5029, subsection E, paragraph 7, Arizona Revised Statutes.

Monies appropriated for career technical education district completion grants are intended to help fund program completion for students who complete at least fifty percent of a career technical education program before graduating from high school and who successfully complete the career technical education district program after graduating from high school. The department of education shall develop application procedures for the career technical education district completion grant program. The procedures shall award grant funding only after an eligible student has successfully completed a career technical education district program.

If the appropriated amount for CTED completion grants is insufficient to fund all grant requests from career technical education districts, the department of education shall reduce grant amounts on a proportional basis in order to cap total statewide allocations at \$1,000,000.

The appropriated amount for CTED completion grants is exempt from the provisions of section 35-190, Arizona Revised Statutes, relating to lapsing of appropriations through fiscal year 2020-2021.

The department of education shall distribute the appropriated amount for CTED soft capital and equipment to career technical education districts with fewer than two thousand average daily membership pupils for soft capital and equipment expenses. The appropriated amount shall be allocated on a pro rata basis based on the average daily membership of eligible career technical education districts.

The department of education shall use the appropriated amount for English learner administration to provide English language acquisition services for the purposes of section 15-756.07, Arizona Revised Statutes, and for the costs of providing English language proficiency assessments, scoring and ancillary materials as prescribed by the department of education to school districts and charter schools for the purposes of title 15, chapter 7, article 3.1, Arizona Revised Statutes. The department may use a portion of the appropriated amount to hire staff or contract with a third party to carry out the purposes of section 15-756.07, Arizona Revised Statutes. Notwithstanding section 41-192, Arizona Revised Statutes, the superintendent of public instruction also may use a portion of the appropriated amount to contract with one or more private attorneys to provide legal services in connection with the case of Flores v. State of Arizona, No. CIV 92-596-TUC-RCC.

The department of education shall use the appropriated amount for geographic literacy to issue a grant to a statewide geographic alliance for strengthening geographic literacy in this state.

The department of education shall use the appropriated amount for jobs for Arizona graduates to issue a grant to a nonprofit organization for a jobs for Arizona graduates program.

Any monies available to the department of education for school safety pursuant to section 42-5029, subsection E, paragraph 6, Arizona Revised Statutes, in excess of the expenditure authority amounts are allocated for the purposes of section 42-5029, subsection E, paragraph 6, Arizona Revised Statutes.

After review by the joint legislative budget committee, in fiscal year 2020-2021, the department of education may use a portion of its fiscal year 2020-2021 state general fund appropriations for basic state aid, additional state aid or the special education fund, to fund a shortfall in funding for basic state aid, additional state aid or the special education fund, if any, that occurred in fiscal year 2019-2020.

The department shall provide an updated report on its budget status every three months for the first half of each fiscal year and every month thereafter to the president of the senate, the speaker of the house of representatives, the chairpersons of the senate and house of representatives appropriations committees, the director of the joint legislative budget committee and the director of the governor's office of strategic planning and budgeting. Each report shall include, at a minimum, the department's current funding surplus or shortfall projections for basic state aid and other major formula-based programs and is due thirty days after the end of the applicable reporting period.

Within fifteen days after each apportionment of state aid that occurs pursuant to section 15-973, subsection B, Arizona Revised Statutes, the department shall post on its website the amount of state aid apportioned to each recipient and the underlying data.

Pursuant to section 49-282, subsection G, Arizona Revised Statutes, the director of environmental quality shall submit a fiscal year 2021-2022 budget for the water quality assurance revolving fund before September 1, 2020, for review by the senate and house of representatives appropriations committees.

The department of environmental quality shall report annually on the progress of WQARF activities, including emergency response, priority site remediation, cost recovery activity, revenue and expenditure activity and other WQARF-funded program activity. The department shall submit the fiscal year 2020-2021 report to the joint legislative budget committee on or before September 1, 2020. This report shall also include a budget for the WQARF program that is developed in consultation with the WQARF advisory board. This budget shall specify the monies budgeted for each listed site during fiscal year 2020-2021. In addition, the department and the advisory board shall prepare and submit to the joint legislative budget committee, on or before October 1, 2020, a report in a table format summarizing the current progress on remediation of each listed site on the WQARF registry. The table shall include the stage of remediation for each site at the end of fiscal year 2019-2020, indicate whether the current stage of remediation is anticipated to be completed in fiscal year 2020-2021 and indicate the anticipated stage of remediation at each listed site at the end of fiscal year 2020-2021, assuming fiscal year 2020-2021 funding levels. The department and advisory board may include other relevant information about the listed sites in the table.

All permit administration fund monies received by the department of environmental quality in excess of \$7,155,700 in fiscal year 2020-2021 are appropriated to the department. Before spending permit administration fund monies in excess of \$7,155,700 in fiscal year 2020-2021, the department shall report the intended use of the monies to the joint legislative budget committee.

All indirect cost recovery fund monies received by the department of environmental quality in excess of \$13,615,900 in fiscal year 2020-2021 are appropriated to the department. Before spending indirect cost recovery fund monies in excess of \$13,615,900 in fiscal year 2020-2021, the department shall report the intended use of the monies to the joint legislative budget committee.

The department of health services may use up to four percent of the amount appropriated for nonrenal disease management for the administrative costs to implement the program.

Of the \$1,125,000 for Alzheimer's disease research, \$1,000,000 is from the tobacco tax and health care fund health research account established by section 36-773, Arizona Revised Statutes.

The department of health services shall distribute monies appropriated for homeless pregnant women services to nonprofit organizations that are located in a county with a population of more than three million persons and whose primary function is to provide shelter, food, clothing and transportation for health services and support to homeless pregnant women and their children who are under the age of one year. Monies may not be granted for abortion referral services or distributed to entities that promote, refer or perform abortions.

The department of health services shall distribute monies appropriated for the biomedical research support line item to a nonprofit medical research institute headquartered in this state that specializes in biomedical research focusing on applying genomic technologies and sequencing to clinical care, that has served as a resource to this state to conduct molecular epidemiologic analyses to assist with disease outbreak investigations and that collaborates with universities, hospitals and health science research centers and other public and private bioscience and related industries in this state. The recipient of these monies shall commission an audit of the expenditure of these monies and shall submit a copy of the audit to the department of health services on or before February 1, 2022.

The department of health services shall distribute monies appropriated for Alzheimer's disease research through a grant to a charitable organization that is qualified under section 501(c)(3) of the internal revenue code and that meets the following criteria:

1. Is headquartered in this state.
2. Has been operating in this state for at least the last ten years.
3. Has participating member institutions that work together to end Alzheimer's disease within a statewide collaborative model by using their complementary strengths in brain imaging, computer science, genomics, basic and cognitive neurosciences and clinical and neuropathology research.
4. Has participating member institutions that educate residents of this state about Alzheimer's disease, research progress and resources to help patients, families and professionals manage the disease.

The terms of the grant made to the charitable organization may not impose any requirements that were not imposed in prior grant agreements entered into between the department of health services and the charitable organization.

Arizona state hospital

In addition to the appropriation for the department of health services, earnings on state lands and interest on the investment of the permanent state land funds are appropriated to the Arizona state hospital in compliance with the enabling act and the Constitution of Arizona.

Departmentwide

The department of health services shall electronically forward to the president of the senate, the speaker of the house of representatives, the chairpersons of the senate and house of representatives appropriations committees and the director of the joint legislative budget committee a monthly report comparing total expenditures for the month and year-to-date as compared to prior-year totals on or before the thirtieth of the following month. The report shall include an estimate of potential shortfalls in programs, potential federal and other monies, such as the statewide assessment for indirect costs, that may be available to offset these shortfalls, and a plan, if necessary, for eliminating any shortfall without a supplemental appropriation.

On or before May 31, 2021, the department of health services shall submit a report to the joint legislative budget committee for review on the progress of the department's implementation of recommendations included in the auditor general's September 2019 report regarding the investigation of long-term care facility complaints and self-reports. The report shall include information regarding staff allocated to long-term care investigations since publication of the September 2019 audit, a summary of the department's implemented investigation time frames and updates to its investigation policies and procedures, and an assessment of the department's performance in investigating long-term care facility complaints and self-reports according to audit recommendations and the implemented investigation time frames.

Monies in superior court line items intended for this purpose shall be transferred to the superior court operating budget before expenditure.

Judges

Of the 235.5 FTE positions, 180 FTE positions represent superior court judges. This FTE position clarification does not limit the counties' ability to add judges pursuant to section 12-121, Arizona Revised Statutes.

All monies in the judges' compensation line item shall be used to pay for fifty percent of superior court judges' salaries, elected officials' retirement plan costs and related state benefit costs for judges pursuant to section 12-128, Arizona Revised Statutes. Monies in the operating lump sum appropriation or other line items intended for this purpose shall be transferred to the judges' compensation line item before expenditure.

Probation

Monies appropriated to juvenile treatment services and juvenile diversion consequences shall be deposited in the juvenile probation services fund established by section 8-322, Arizona Revised Statutes.

Receipt of state probation monies by the counties is contingent on the county maintenance of fiscal year 2003-2004 expenditure levels for each probation program. State probation monies are not intended to supplant county dollars for probation programs.

On or before November 1, 2020, the administrative office of the courts shall report to the joint legislative budget committee and the governor's office of strategic planning and budgeting the fiscal year 2019-2020 actual, fiscal year 2020-2021 estimated and fiscal year 2021-2022 requested amounts for each of the following:

1. On a county-by-county basis, the number of authorized and filled case carrying probation positions and non-case carrying probation positions, distinguishing between adult standard, adult intensive, juvenile standard and juvenile intensive. The report shall indicate the level of state probation funding, other state funding, county funding and probation surcharge funding for those positions.
2. Total receipts and expenditures by county and fund source for the adult standard, adult intensive, juvenile standard and juvenile intensive probation line items, including the amount of personal services spent from each revenue source of each account.

All centralized service payments made by the administrative office of the courts on behalf of counties shall be funded only from the centralized service payments line item. Centralized service payments include only training, motor vehicle payments, CORP review board funding, LEARN funding, research, operational reviews and GPS vendor payments. This footnote does not apply to treatment or counseling services payments made from the juvenile treatment services and juvenile diversion consequences line items. Monies in the operating lump sum appropriation or other line items intended for centralized service payments shall be transferred to the centralized service payments line item before expenditure.

All monies in the adult standard probation, adult intensive probation, community punishment, interstate compact, juvenile standard probation, juvenile intensive probation, juvenile treatment services, juvenile diversion consequences and juvenile crime reduction line items shall be used only as pass-through monies to county probation departments. Monies in the operating lump sum appropriation or other line items intended as pass-through for the purpose of administering a county probation program shall be transferred to the appropriate probation line item before expenditure.

On or before November 1, 2020, the administrative office of the courts shall submit a report for review by the joint legislative budget committee on the county-approved salary adjustments provided to probation officers since the last report on November 1, 2019. The report shall include, for each county, the:

1. Approved percentage salary increase by year.

2. Net increase in the amount allocated to each probation department by the administrative office of the courts for each applicable year.

3. Average number of probation officers by applicable year.

4. Average salary of probation officers for each applicable year.

The additional staff shall include at least fifty sworn department of public safety positions to be used for immigration enforcement and border security and fifty department of public safety positions to assist GIITEM in various efforts, including:

1. Strictly enforcing all federal laws relating to illegal aliens and arresting illegal aliens.
2. Responding to or assisting any county sheriff or attorney in investigating complaints of employment of illegal aliens.
3. Enforcing Arizona's law known as the Legal Arizona Workers Act, strictly enforcing Arizona's SB 1070, Arizona's "Support Our Law Enforcement and Safe Neighborhoods Act" and investigating crimes of identity theft in the context of hiring illegal aliens and the unlawful entry into this country.
4. Taking strict enforcement action.

Any change in the GIITEM mission or allocation of monies shall be approved by the joint legislative budget committee. The department shall submit an expenditure plan to the joint legislative budget committee for review before expending any monies not identified in the department's previous expenditure plans.

Of the \$24,938,800 appropriated to the GIITEM line item, only \$1,403,400 is deposited in the GIITEM fund established by section 41-1724, Arizona Revised Statutes, and is appropriated for the purposes of that section. The \$1,403,400 is exempt from the provisions of section 35-190, Arizona Revised Statutes, relating to the lapsing of appropriations. This state recognizes that states have inherent authority to arrest a person for any immigration violation.

Any monies remaining in the department of public safety joint account on June 30, 2021 revert to the funds from which they were appropriated. The reverted monies shall be returned in direct proportion to the amounts appropriated.

On or before September 1, 2020, the department of public safety shall submit an expenditure plan for the border strike task force local support line item to the joint legislature budget committee and the governor's office of strategic planning and budgeting.

Of the \$1,261,700 appropriated for the border strike task force local support line item, \$761,700 shall be used to fund local law enforcement officer positions within the border strike task force. Any city, town, county or other entity that enters into an agreement with the department to participate in the border strike task force shall provide at least twenty-five percent of the cost of the services, and the department shall provide not more than seventy-five percent of personal services and employee-related expenditures for each agreement or contract. The department may fund all capital-related equipment.

Of the \$1,261,700 appropriated for the border strike task force local support line item, \$500,000 shall be used for grants to cities, towns or counties for costs associated with prosecuting and imprisoning individuals charged with drug trafficking, human smuggling, illegal immigration and other border-related crimes.

Notwithstanding Laws 2019, chapter 263, section 80, the \$1,047,500 appropriated to the department of public safety by Laws 2019, chapter 263, section 80 for the peace officer training equipment line item is exempt from the provisions of section 35-190, Arizona Revised Statutes, relating to lapsing of appropriations, until June 30, 2021. The appropriated amount may not supplant any existing state funding or private or external donations to the existing centers or to the school. The appropriated monies and all private and external donations to the school, including any remaining balances from prior fiscal years, shall be deposited in a separate account, shall be used only for the direct operation of the school and may not be used for indirect costs of the university. On or before October 1, 2020, the school shall submit a report to the president of the senate, the speaker of the house of representatives, the chairpersons of the senate education committee and the house of representatives education committee and the director of the joint legislative budget committee that includes at least the following information for the school:

1. The total amount of funding received from all sources.
2. A description of faculty positions and courses offered.
3. The total undergraduate and graduate student enrollment.
4. Significant community events, initiatives or publications.

The chairpersons of the senate education committee and the house of representatives education committee may request the director of the school to appear before the committees to report on the school's annual achievements.

Any unencumbered balances remaining in the university collections fund on June 30, 2020 and all collections received by the university during the fiscal year are appropriated for operating expenditures, capital outlay and fixed charges. Earnings on state lands and interest on the investment of the permanent land funds are appropriated in compliance with the enabling act and the Constitution of Arizona. No part of this appropriation may be expended for supplemental life insurance or supplemental retirement.

Fiscal Year 2019-2020 Appropriation Adjustments

Sec. 97. Supplemental appropriation; department of administration; risk management revolving fund; fiscal year 2019-2020; review

A. In addition to any other appropriations made in fiscal year 2019-2020, the sum of \$3,933,100 is appropriated from the risk management revolving fund established by section 41-622, Arizona Revised Statutes, in fiscal year 2019-2020 to the department of administration for the following purposes:

1. To pay disallowed costs relating to excess retained earnings.
2. To pay disallowed costs relating to the statewide information technology charges.
3. For fund transfers in fiscal year 2018-2019.
4. To pay interest owed from prior-year disallowed costs.

B. The legislature intends that the department of administration not enter into any agreements to pay for any federal reimbursements related to excess balances in the special employee health insurance trust fund established by section 38-654, Arizona Revised Statutes, unless the proposed agreements have been reviewed by the joint legislative budget committee.

Sec. 98. Supplemental appropriations; Arizona health care cost containment system administration; fiscal year 2019-2020

In addition to any other appropriations made in fiscal year 2019-2020, the sum of \$45,978,600 from the state general fund, \$5,109,200 from the tobacco tax and health care fund medically needy account established by section 36-771, Arizona Revised Statutes, and \$468,181,900 from expenditure authority are appropriated in fiscal year 2019-2020 to the Arizona health care cost containment system administration for adjustments in funding formula requirements.

Sec. 99. Arizona health care cost containment system; graduate medical education; indirect costs; fiscal year 2019-2020

Notwithstanding Laws 2019, chapter 263, section 12:

1. The amount for graduate medical education appropriated by Laws 2019, chapter 263, section 12 includes \$1,666,700 from the state general fund and \$3,857,700 from expenditure authority for the direct and indirect costs of graduate medical education programs located in a county with a population of less than five hundred thousand persons. ♦ The state general fund amount may supplement, but not supplant, voluntary payments made from political subdivisions for payments to hospitals that operate a graduate medical education program. The Arizona health care cost containment system administration shall prioritize distribution to programs at hospitals in counties with a higher percentage of persons residing in a health professional shortage area as defined in 42 Code of Federal Regulations part 5.

2. The amount for graduate medical education appropriated by Laws 2019, chapter 263, section 12 includes \$1,333,300 from the state general fund and \$3,086,000 from expenditure authority for the direct and indirect costs of graduate medical education programs located in a county with a population of more than five hundred thousand persons. ♦ The state general fund amount may supplement, but not supplant, voluntary payments made from political subdivisions for payments to hospitals that operate a graduate medical education program. The Arizona health care cost containment system administration shall prioritize distribution to programs at hospitals in counties with a higher percentage of persons residing in a health professional shortage area as defined in 42 Code of Federal Regulations part 5.

Sec. 100. Superintendent of public instruction; transfer; fiscal year 2019-2020

Notwithstanding section 15-901.03, Arizona Revised Statutes, the superintendent of public instruction may transfer monies from the state general fund appropriation for basic state aid for fiscal year 2019-2020 to the results-based funding program for fiscal year 2019-2020 without review by the joint legislative budget committee. ♦ Any amount transferred to the results-based funding program under this section that exceeds the amount needed to address a funding shortfall for the results-based funding program for fiscal year 2019-2020 reverts to the state general fund on June 30, 2020.

Sec. 101. Supplemental appropriation; state land department; fiscal year 2019-2020

In addition to any other appropriations made in fiscal year 2019-2020, the sum of \$481,100 is appropriated from the state general fund in fiscal year 2019-2020 to the state land department for a CAP user fee rate adjustment.

Sec. 102. Supplemental appropriation; school facilities board; building renewal grants; fiscal year 2019-2020

In addition to any other appropriations made in fiscal year 2019-2020, the sum of \$28,000,000 is appropriated from the state general fund in fiscal year 2019-2020 to the school facilities board for building renewal grants.

Sec. 103. Supplemental appropriation; secretary of state; reimbursements; presidential preference election; fiscal year 2019-2020; report; reversion

A. In addition to monies appropriated pursuant to Laws 2019, chapter 263, section 87, the sum of \$2,616,900 is appropriated from the state general fund in fiscal year 2019-2020 to the secretary of state to reimburse expenses incurred by counties to administer the 2020 presidential preference election.

B. The secretary of state shall reimburse counties based on the number of active registered voters in that county on January 2, 2020 as follows:

1. For counties with an official active voter registration total of five hundred thousand persons or more, in the amount of the actual expenses incurred or \$1.74 for each active registered voter in the county, whichever is less.

2. For counties with an official active voter registration total of two hundred thousand persons or more and less than five hundred thousand persons, in the amount of the actual expenses incurred or \$1.60 for each active registered voter in the county, whichever is less.

3. For counties with an official active voter registration total of one hundred thousand persons or more and less than two hundred thousand persons, in the amount of the actual expenses incurred or \$1.90 for each active registered voter in the county, whichever is less.

4. For counties with an official active voter registration total of fifty thousand persons or more and less than one hundred thousand persons, in the amount of the actual expenses incurred or \$2.00 for each active registered voter in the county, whichever is less.

5. For counties with an official active voter registration total of twelve thousand persons or more and less than fifty thousand persons, in the amount of the actual expenses incurred or \$2.10 for each active registered voter in the county, whichever is less.

6. For counties with an official active voter registration total of less than twelve thousand persons, in the amount of the actual expenses incurred or \$2.40 for each active registered voter in the county, whichever is less.

C. A county shall submit its certified claims to the secretary of state not later than May 18, 2020.

D. On or before December 31, 2020, the secretary of state shall submit a report to the joint legislative budget committee and the governor's office of strategic planning and budgeting regarding reimbursements made pursuant to this section.

E. The appropriation and reimbursement rates prescribed in this section do not set a precedent that the costs of administering any process to select party nominees for a presidential election held after March 17, 2020

will be reimbursed by the state at any particular level. It is the responsibility of future legislatures to determine the appropriate funding levels for any future presidential nominee selection process.

F. Notwithstanding Laws 2019, chapter 263, section 87, the \$4,408,100 appropriated for the presidential preference election line item by Laws 2019, chapter 263, section 87 is exempt from the provisions of section 35-190, Arizona Revised Statutes, relating to lapsing of appropriations, until December 31, 2020.

G. The appropriation made in subsection A of this section is exempt from the provisions of section 35-190, Arizona Revised Statutes, relating to lapsing of appropriations, until December 31, 2020.

Sec. 104. Supplemental appropriation; secretary of state; election systems improvements; fiscal year 2019-2020; review; reversion

A. The sum of \$6,690,300 is appropriated from the election systems improvement fund established by section 41-129, Arizona Revised Statutes, in fiscal year 2019-2020 to the secretary of state to be allocated as follows:

1. \$5,352,200 shall be distributed to the counties for election systems improvements. Each county shall receive \$50,000 and the remainder of the monies allocated pursuant to this paragraph shall be distributed to each county based on population. For the purposes of this paragraph, "population" means the population according to the 2010 United States decennial census.

2. \$1,338,100 shall be used by the secretary of state for election systems improvements. Before spending the monies allocated pursuant to this paragraph, the secretary of state shall submit an expenditure plan for review by the joint legislative budget committee.

B. The appropriation made in subsection A of this section is exempt from the provisions of section 35-190, Arizona Revised Statutes, relating to lapsing of appropriations, until June 30, 2022.

Fiscal Year 2020-2021 Appropriations

Sec. 105. Appropriations; department of administration; counties; allocations; fiscal year 2020-2021

A. The sum of \$7,150,650 is appropriated from the state general fund in fiscal year 2020-2021 to the department of administration for distribution to counties to maintain essential county services. The department shall allocate the appropriation equally among all counties with a population of less than nine hundred thousand persons according to the 2010 United States decennial census.

B. The sum of \$500,000 is appropriated from the state general fund in fiscal year 2020-2021 to the department of administration for distribution to a county with a population of more than thirty thousand persons but less than forty thousand persons according to the 2010 United States decennial census to maintain essential county services.

C. The sum of \$3,000,000 is appropriated from the state general fund in fiscal year 2020-2021 to the department of administration for distribution to counties to supplement the normal cost plus an amount to amortize the unfunded accrued liability pursuant to section 38-810, subsection C, Arizona Revised Statutes. The department shall allocate the appropriation equally among all counties with a population of less than three hundred thousand persons according to the 2010 United States decennial census. The counties may use these monies only for required employer contributions to the elected officials' retirement plan.

Sec. 106. Appropriation; automation projects fund; fiscal year 2020-2021; quarterly report
Appropriation

A. The sum of \$4,992,800 is appropriated from the department of child safety subaccount in the automation projects fund established pursuant to section 41-714, Arizona Revised Statutes, in fiscal year 2020-2021 to the department of administration to implement upgrades to the children's information library and data source system at the department of child safety.

Quarterly Report

B. The department of administration shall submit to the joint legislative budget committee, within thirty days after the last day of each calendar quarter, a quarterly report on implementing projects approved by the information technology authorization committee established by section 18-121, Arizona Revised Statutes, including the projects' expenditures to date, deliverables, timeline for completion and current status.

Nonlapsing

C. The amount appropriated pursuant to this section from the automation projects fund established by section 41-714, Arizona Revised Statutes, in fiscal year 2020-2021 is exempt from the provisions of section 35-190, Arizona Revised Statutes, relating to lapsing of appropriations until June 30, 2022.

D. The transfers into the automation projects fund established by section 41-714, Arizona Revised Statutes, as outlined in this section are not appropriations out of the automation project fund. Only direct appropriations out of the automation projects fund are appropriations.

Sec. 107. Department of economic security; loans; reimbursement; fiscal year 2020-2021

On or after April 1, 2021, the department of economic security may use up to \$25,000,000 from the budget stabilization fund established by section 35-144, Arizona Revised Statutes, for the purpose of providing funding for reimbursement grants. Before using the monies from the budget stabilization fund, the department shall notify the director of the joint legislative budget committee and the director of the governor's office of strategic planning and budgeting. Notwithstanding any other law, this appropriation must be fully reimbursed on or before

September 1, 2021 and must be reimbursed in full as part of the closing process for fiscal year 2020-2021. The appropriation may not be used for additional programmatic expenditures.

Sec. 108. Appropriation; debt service payment; state buildings; fiscal year 2020-2021

The sum of \$53,701,800 is appropriated from the state general fund in fiscal year 2020-2021 to the department of administration for the purpose of making a debt service payment on the sale and leaseback of state buildings authorized by Laws 2009, third special session, chapter 6, section 32.

Sec. 109. Phoenix convention center; allocation; fiscal year 2020-2021

Pursuant to section 9-602, Arizona Revised Statutes, \$23,997,900 of state general fund revenue is allocated in fiscal year 2020-2021 to the Arizona convention center development fund established by section 9-601, Arizona Revised Statutes.

Sec. 110. Rio Nuevo multipurpose facility district; estimated distribution; fiscal year 2020-2021

Pursuant to section 42-5031, Arizona Revised Statutes, a portion of the state transaction privilege tax revenues will be distributed to a multipurpose facility district. The Rio Nuevo multipurpose facility district is estimated to receive \$16,000,000 in fiscal year 2020-2021. ♦ The actual amount of the distribution will be made pursuant to section 42-5031, Arizona Revised Statutes.

Fiscal Year 2020-2021 Appropriations and Fund Balance Transfers

Sec. 111. Appropriation; fund balance transfer; fiscal year 2020-2021; state general fund

Notwithstanding section 36-2930, Arizona Revised Statutes, on or before June 30, 2021, the sum of \$16,700,000 from the prescription drug rebate fund established by section 36-2930, Arizona Revised Statutes, is transferred to the state general fund for the purpose of providing adequate support and maintenance for agencies of this state.

Sec. 112. Appropriation; fund balance transfer; fiscal year 2020-2021; automation projects fund

A. The sum of \$4,992,800 is appropriated from the automation projects fund established by section 41-714, Arizona Revised Statutes, in fiscal year 2020-2021 for deposit in the department of child safety subaccount in the automation projects fund established pursuant to section 41-714, Arizona Revised Statutes, to upgrade the children's information library and data source system at the department of child safety.

B. The transfers into the automation projects fund established by section 41-714, Arizona Revised Statutes, are not appropriations out of the automation projects fund. Only direct appropriations out of the automation projects fund are appropriations.

Sec. 113. Appropriation; Arizona highway patrol fund; state highway fund; vehicle license tax; fund balance transfer; fiscal year 2020-2021

A. Notwithstanding any other law, the amount of \$15,492,300 is transferred from the Arizona highway patrol fund established by section 41-1752, Arizona Revised Statutes, in fiscal year 2020-2021 for deposit in the state highway fund established by section 28-6991, Arizona Revised Statutes.

B. Notwithstanding any other law, \$15,492,300 received in fiscal year 2020-2021 pursuant to title 28, chapter 16, article 3, Arizona Revised Statutes, relating to vehicle license tax, for distribution to the state highway fund pursuant to section 28-6538, subsection A, paragraph 1, Arizona Revised Statutes, shall be deposited in the state general fund. ♦ Deposits may be made in even monthly installments.

C. Notwithstanding any other law, \$7,850,900 received in fiscal year 2020-2021 pursuant to title 28, chapter 16, article 3, Arizona Revised Statutes, relating to vehicle license tax, for distribution to the state highway fund pursuant to section 28-6538, subsection A, paragraph 1, Arizona Revised Statutes, shall be deposited in the state general fund. ♦ Deposits may be made in even monthly installments.

Payment Deferrals

Sec. 114. Reduction in school district state aid apportionment in fiscal year 2020-2021; appropriation in fiscal year 2021-2022

A. In addition to any other appropriation reductions made in fiscal year 2020-2021, notwithstanding any other law, the department of education shall defer until after June 30, 2021 but not later than July 12, 2021 \$930,727,700 of the basic state aid and additional state aid entitlement that otherwise would be apportioned to school districts during fiscal year 2020-2021 pursuant to section 15-973, Arizona Revised Statutes. The funding deferral required by this subsection does not apply to charter schools or to school districts with a student count of less than six hundred pupils. ♦ The department of education shall make the deferral by reducing the apportionment of state aid for each month in the fiscal year by the same amount.

B. In addition to any other appropriations made in fiscal year 2021-2022, the sum of \$930,727,700 is appropriated from the state general fund in fiscal year 2021-2022 to the department of education and the superintendent of public instruction for basic state aid and additional state aid entitlement for fiscal year 2021-2022. This appropriation shall be disbursed after June 30, 2021 but not later than July 12, 2021 to the several counties for the school districts in each county in amounts equal to the reductions in apportionment of basic state aid and additional state aid that are required pursuant to subsection A of this section for fiscal year 2020-2021.

C. School districts shall include in the revenue estimates they use for computing their tax rates for fiscal year 2020-2021 the monies they will receive pursuant to subsection B of this section.

Other Provisions

Sec. 119. Legislative intent; expenditure reporting

The legislature intends that all departments, agencies and budget units receiving appropriations under the terms of this act continue to report actual, estimated and requested expenditures by budget programs and budget classes in a format that is similar to the budget programs and budget classes used for budgetary purposes in prior years.◆ A different format may be used if deemed necessary to implement section 35-113, Arizona Revised Statutes, agreed to by the director of the joint legislative budget committee and incorporated into the budget preparation instructions adopted by the governor's office of strategic planning and budgeting pursuant to section 35-112, Arizona Revised Statutes.

Sec. 120. FTE positions; reporting; definition

Full-time equivalent (FTE) positions contained in this act are subject to appropriation. The director of the department of administration shall account for the use of all appropriated and nonappropriated FTE positions, excluding those in the universities.◆ The director of the department of administration shall submit the fiscal year 2020-2021 report on or before October 1, 2021 to the director of the joint legislative budget committee.◆ The report shall compare the level of appropriated FTE usage in each fiscal year to the appropriated level. For the purposes of this section, "FTE positions" means the total number of hours worked, including both regular and overtime hours as well as hours taken as leave, divided by the number of hours in a work year. The director of the department of administration shall notify the director of a budget unit if the budget unit's appropriated FTE usage has exceeded its number of appropriated FTE positions. The universities shall each report to the director of the joint legislative budget committee in a manner comparable to the department of administration reporting.

Sec. 121. Filled FTE positions; reporting

On or before October 1, 2020, each agency, including the judiciary and universities, shall submit a report to the director of the joint legislative budget committee on the number of filled appropriated and nonappropriated FTE positions, by fund source, as of September 1, 2020.

Sec. 122. Transfer of spending authority

The department of administration shall report monthly to the director of the joint legislative budget committee any transfers of spending authority made pursuant to section 35-173, subsection C, Arizona Revised Statutes, during the prior month.

Sec. 123. Interim reporting requirements

- A. State general fund revenue for fiscal year 2019-2020, including a beginning balance of \$957,241,000 and other onetime revenues, is forecasted to be \$12,545,000,000.
- B. State general fund revenue for fiscal year 2020-2021, including onetime revenues, is forecasted to be \$12,540,200,000.
- C. State general fund revenue for fiscal year 2021-2022, including onetime revenues, is forecasted to be \$12,348,400,000. State general fund expenditures for fiscal year 2021-2022 are forecasted to be \$12,136,400,000.
- D. State general fund revenue for fiscal year 2022-2023, including onetime revenues, is forecasted to be \$12,824,600,000. State general fund expenditures for fiscal year 2022-2023 are forecasted to be \$12,391,600,000.
- E. The executive branch shall provide to the joint legislative budget committee a preliminary estimate of the fiscal year 2019-2020 state general fund ending balance on or before September 15, 2020. The estimate shall include projections of total revenues, total expenditures and ending balance.◆ The department of administration shall continue to provide the final report for the fiscal year in its annual financial report pursuant to section 35-131, Arizona Revised Statutes.

F. Based on the information provided by the executive branch, the staff of the joint legislative budget committee shall report to the joint legislative budget committee on or before October 15, 2020 whether the fiscal year 2020-2021 revenues and ending balance are expected to change by more than \$50,000,000 from the budgeted projections. The joint legislative budget committee staff may make technical adjustments to the revenue and

expenditure estimates in this section to reflect other bills enacted into law. The executive branch may also provide its own estimates to the joint legislative budget committee on or before October 15, 2020.

Sec. 124. **Definition**

For the purposes of this act, "*" means this appropriation is a continuing appropriation and is exempt from the provisions of section 35-190, Arizona Revised Statutes, relating to lapsing of appropriations.

Sec. 125. **Definition**

For the purposes of this act, "expenditure authority" means that the fund sources are continuously appropriated monies that are included in the individual line items of appropriations.

Sec. 126. **Definition**

For the purposes of this act, "review by the joint legislative budget committee" means a review by a vote of a majority of a quorum of the members of the joint legislative budget committee.

APPROVED BY THE GOVERNOR MARCH 28, 2020.
